

Gibson-Thomas Engineering is a full-service civil engineering firm based in Pennsylvania that provides engineering design and construction inspection services to clients on projects of varying sizes and complexity. We are a growing 150+ person firm that expanded to Southwest Florida in 2015.

The Role

We have an opportunity for a **MEP Building Engineer** to lead our Southwest Florida expansion in Building Services. Candidates for the MEP Building Engineer position should have experience in commercial and residential building design projects, preferably in a consulting engineering firm environment.

Responsibilities

- Perform business development to grow and enhance Gibson-Thomas's client base.
- MEP analysis, design and detailing for all types of buildings and materials using a variety of building codes.
- Coordination of design work with other professionals, including Architects and other Engineering disciplines.
- Preparation of construction documents and on-site construction consultation.
- Field inspections, analyses, and determination of causes of structural and architectural failures/modifications.

Qualifications

- Bachelor's degree in Engineering or Architecture.
- Florida Professional Engineer's license.
- Working knowledge of current industry design software is required and AutoCAD experience is preferred.
- Ability to work independently as well as lead and work in multi-disciplinary teams

Benefits Eligible for this Position

- Insurance Benefits for you and your eligible dependents (Health, Dental, Vision, Life, and Disability)
- Paid flexible vacation time
- Company Paid Holidays
- 401(k) Plan with company funded match
- Company Cell Phone
- Flexible work environment

Gibson-Thomas is proud to be an equal employment workplace. Individuals seeking employment are considered without regard to age, ancestry, color, gender (including pregnancy, childbirth, or related medical conditions), gender identity or expression, genetic information, marital status, medical condition, mental or physical disability, national origin, protected family care or medical leave status, race, religion (including beliefs and practices or the absence thereof), sexual orientation, military or veteran status, or any other characteristic protected by federal, state, or local laws.
