

Gibson-Thomas Engineering Co., Inc. is a full-service civil engineering firm based in Pennsylvania that provides engineering design and construction inspection services to clients on projects of varying sizes and complexity. We are a growing 140+ person firm with Pennsylvania offices in Latrobe, Camp Hill, Indiana, Wexford, Fayette and Washington.

The Role

We have opportunities for a **Civil Engineering Intern (Summer 2022)** in our Camp Hill Office to assist our growing roadway, traffic, bridge, and municipal groups.

Qualifications

- Class work in Civil Engineering and current status as Civil Engineering student working towards a bachelor's degree.
- Experience with AutoCAD or MicroStation software preferred.
- Ability to work independently.

Gibson-Thomas is proud to be an equal employment workplace. Individuals seeking employment are considered without regard to age, ancestry, color, gender (including pregnancy, childbirth, or related medical conditions), gender identity or expression, genetic information, marital status, medical condition, mental or physical disability, national origin, protected family care or medical leave status, race, religion (including beliefs and practices or the absence thereof), sexual orientation, military or veteran status, or any other characteristic protected by federal, state, or local laws.
