

Gibson-Thomas Engineering Co., Inc. is a full-service civil engineering firm based in Pennsylvania that provides engineering design and construction inspection services to clients on projects of varying sizes and complexity. We are a growing 140+ person firm with Pennsylvania offices in Latrobe, Camp Hill, Indiana, Wexford, Fayette and Washington.

The Role

We have opportunities for a **Municipal Engineer** in our Camp Hill Office. Ideal candidate for this position will have a minimum of 5 years of Municipal Engineering/Site Development experience for municipal and private clients.

Responsibilities

- Subdivision, land development and site development plan review and plan preparation.
- Stormwater management and NPDES/E&SC plan review and inspections and plan preparation with calculations.
- Community and municipal planning, streetscapes, ADA, parks and recreation plan development and implementation.
- Design of street and roadway improvements.
- General Permitting for stream crossing, culverts and site planning.
- Preparation of contract drawings, specifications and engineering reports.
- Construction observation and field inspection
- Coordination of design and engineering work with other disciplines.
- Water and wastewater design experience a plus

Qualifications

- Bachelor of Science degree in an Engineering field, Landscape Architecture or Planning.
- EIT, PE, AICP or RLA in Pennsylvania or ability to obtain within 6 months is required
- Working knowledge of current industry design software including AutoCAD and/or MicroStation.
- Ability to work independently as well as lead and work in multi-disciplinary teams
- Willingness to grow in responsibilities and be mentored and guided by senior engineering staff and management
- Familiarity with Municipal Planning Codes and Ordinances

Benefits Eligible for this Position

- Health and disability insurance benefits
- Paid flexible vacation time and holidays
- 401(k) plan with company funded match
- Flexible work environment
