

Gibson-Thomas Engineering is a full-service civil engineering firm based in Pennsylvania that provides engineering design and construction inspection services to clients on projects of varying sizes and complexity. We are a growing 140+ person firm with Pennsylvania offices in Latrobe, Camp Hill, Indiana, Wexford, Fayette and Washington.

The Role

We have an opportunity for entry level **Structural Engineers** to work primarily out of our Latrobe, Wexford, or Fayette Offices. Ideal candidates for this position will have up to 5 years of experience in Structural Engineering and PennDOT-related Bridge Design. NBIS experience and a CBSI certificate are positives but not required.

Responsibilities

- Structural analysis, design and detailing for all types of bridges and structures.
- Preparation of construction documents and on-site construction consultation.
- Field inspections and analyses of existing structures.
- Coordination of design work with other disciplines.
- Business development activities to grow and enhance our client base.

Qualifications

- Bachelor of Science degree in an Engineering field.
- Engineer-in-Training Certificate with the ability and desire to acquire a Professional Engineer license.
- Working knowledge of current industry design software including MicroStation.
- Ability to work independently as well as lead and work in multi-disciplinary teams

Benefits Eligible for this Position

- Health and disability insurance benefits
- Paid flexible vacation time and holidays
- 401(k) plan with company funded match
- Flexible work environment

Gibson-Thomas is proud to be an equal employment workplace. Individuals seeking employment are considered without regard to age, ancestry, color, gender (including pregnancy, childbirth, or related medical conditions), gender identity or expression, genetic information, marital status, medical condition, mental or physical disability, national origin, protected family care or medical leave status, race, religion (including beliefs and practices or the absence thereof), sexual orientation, military or veteran status, or any other characteristic protected by federal, state, or local laws.
